

Retail & Fashion Style Menu

Style sessions

Offer an exclusive styling session to your most valued VIP clients/shoppers by booking in a stylist to update them on the latest colours, styles and collections within your boutique.

Personal Shopping

Perfect for shopping centres and shopping strips. Book our stylists to accompany your shoppers and introducing them to your retailers and their product.

Staff Training

Book one of our stylists to train your staff in understanding, the power of visual merchandising and offering advice on colours and styles that suit your clients. This knowledge will empower your staff and generate ongoing sales.

Fashion events

Allow id couture to style and produce your next Fashion Event, we specialise in salon shows, workshops & runway; wardrobe, talent sourcing, hair & makeup, entertainment, photography and choreography. Our stylists are also available for Guest Speaking, panel and comparing. This service is ideal for unique boutique style (small – medium) events.

Bookings

Please contact id couture to discuss tailored programs to suit your particular needs. Sessions can be arranged to your preferred schedule.
